

DROP OFF GUIDE

It is essential that the following guide be used prior to dropping garments for consignment.

WE DO NOT ACCEPT CHARITY DONATIONS- you will need to dispose of these garments yourself. We recommend Savers on Warrigal Road who will turn torn etc garments into rags should you wish to make use of garments otherwise headed for the bin.

DROP OFF FORMS

Must be placed in bag with garments. Multiple bags - we prefer a form in each bag. We can photocopy for you at shop, on request at drop off. The form can be downloaded from this page on website.

SECONDHAND BUT IN GREAT CONDITION

We appreciate that garments are secondhand so there will be some minor wear. Please check your garments carefully as we have limited time for processing and taking to the charity venue and limited space for accumulating garments we cannot sell.

Below items are not negotiable - these garments cannot be sold. Even if your child is still wearing such items it does not mean we will be able to sell them on.

- **Unwashed garments**
- **Tears**
- **Holes**
- **Seams undone / broken**
- **Broken loose clasps**
- **Excessive Pilling**
- **Excessive Snags**
- **Worn elastic in waistbands and knitted collars**
- **Perspiration or collar stains**
- **Broken zips**
- **Faded logos / collars (look for navy logos and collars that have gone purple)**
- **Ink stains**
- **Thin well worn garments**
- **Cracked "Mentone" letters or logos on items**
- **Garments not purchased through Noone originally**
- **Unprofessional mending - ie hems taken up poorly**
- **Whites that have gone yellow or grey**

All garments must be presented **washed and clean** with pockets emptied. We receive an enormous amount of dirty clothing that in some cases might be saleable if they were not dirty.

BLAZERS

Blazers - please check **cuff line**, **elbows** for holes, **braiding** for wear and tear, **lining** for rips and **logo** for fading. They do not have to be drycleaned however they must be clean and presentable. If you would like to show us your blazer before drycleaning please pop by. We can accept blazers with missing buttons and where a minor repair is required ie. sew up where a pocket has come undone, or a minor lining tear.

DISCONTINUED ITEMS

We cannot accept

- Old style Boys & Girls track tops (replaced with the Unisex soft shell jacket)
- Size 3-8 Girls PE Shorts with white stripe (replaced with Plain Blue for ELC/Eblana)
- Old AGSV items - please check the new uniform guide for assistance. Note the football jumper in school guide is old style and we do not want that old style dropped off.
- Bathers unless BNWT
- School shoes
- Socks
- Schoolbags - unless they have minimal signs of wear and tear and all straps attached.

Our volunteers greatly appreciate you taking time to check your garments thoroughly - we know sometimes things can escape notice but in general checking for the above will save us so much time.
