MENTONE GRAMMAR

UNIFORM GUIDE

The Mentone Grammar school uniform symbolises our rich heritage and cultural identity, from our humble beginnings in 1923 to the vibrant and dynamic School that we have today.

We set high expectations that all Mentone Grammar students wear the uniform correctly, with pride and respect for their community as well as themselves.

Our school uniform promotes a sense of belonging and provides students with an equal foundation from which they can develop their individuality, character and interests.

We appreciate the support of our parents in upholding high standards of presentation for our students, as a reflection of the discipline and respect bestowed on their education.
