

Uniforms are accepted on a consignment basis. Goods can be left with a drop off form (download from website) at the P&F shop during opening hours.

We are unable to check goods are at sale standard during shop hours. Please use the guide provided on website.

Consignment notes will no longer be mailed out. Please request on your drop off form if you require one

Whilst all care will be taken by the volunteers, no responsibility for loss or theft or damage to garments will be taken.

Payment will be made to consignors at the end of the term in which your goods have been sold, via EFT.

Goods will be sold at approx 50-60% of the new retail value - with 25% of that value retained as commission by the P&F to be allocated to school projects. Items not sold after 12 months can be discounted or sent to charity.

With a new uniform arrival in 2024 - we may need to discount some discontinued uniforms to keep in line with our uniform suppliers (Noone)

All items must be supplied in a clean and excellent second hand condition. Please use the guide on the website prior to dropping off garments. Items not deemed to be suitable for sale in the shop will be disposed of. Please take care with consignment of goods as disposal of items not saleable takes up many hours of volunteer time..

Garments that have been found at checkout to be flawed / unsaleable can be discounted or written off and sent to charity.

Only uniform items listed in our drop off guide will be accepted and must be branded as per items sold via Noone.

Parents are welcome to donate proceeds of goods to P&F.

We thank you for your support of this wonderful service to our school community
