**If you have any queries on items please email us at [pandfshop@mentonegrammar.net](mailto:pandfshop@mentonegrammar.net)**

It is essential that the following guide be used prior to dropping garments for consignment.

**WE DO NOT ACCEPT CHARITY DONATIONS**- you will need to dispose of these garments yourself. There are some places that will turn uniforms into rags for a small charge.

### **DROP-OFF FORMS**

Must be placed in bag with garments. Multiple bags - we prefer a form in each bag. We can photocopy for you at shop, on request at drop off. The form can be downloaded from this page on website.

### **SECONDHAND BUT IN GREAT CONDITION**

We appreciate that garments are secondhand so there will be some minor wear. Please check your garments carefully as we have limited time for processing and taking to the charity venue and limited space for accumulating garments we cannot sell.

Below items are not negotiable - these garments cannot be sold. Even if your child is still wearing such items it does not mean we will be able to sell them on.

- Unwashed garments
- Tears
- Holes
- Seams undone / broken
- Broken loose clasps
- Excessive Pilling
- Excessive Snags
- Worn elastic in waistbands and knitted collars
- Perspiration or collar stains
- Broken zips
- Faded logos / collars (look for navy logos and collars that have gone purple)
- Ink stains
- Thin well worn garments
- Cracked "Mentone" letters or logos on items
- Garments not purchased through Noone originally
- Unprofessional mending - ie hems taken up poorly
- Whites that have gone yellow or grey

All garments must be presented **washed and clean** with pockets emptied. We receive an enormous amount of dirty clothing that in some cases might be saleable if they were not dirty.

**Our volunteers greatly appreciate you taking time to check your garments thoroughly - we know sometimes things can escape notice but in general checking for the above will save us so much time.**
