AGSV/APS SPORTS UNIFORM

YEARS
7-12

Sport is an integral part of the education program at Mentone Grammar and our focus on developing 'Happy, Healthy, & High Achieving' students. This includes the compulsory AGSV/APS inter-school sports program for all students in Years 7-12. Students have the option to choose one winter and one summer sport each year.

The uniform will vary depending on the sport and all students are required to have the correct uniform and additional requirements for each sport.

In addition to the sports listed below, opportunities exist in Aerobics, Athletics, Golf, Snow Sports, Surfing and Surf Life Saving. We have a range of teams of various age groups representing the School in different external competitions, which may also require additional uniform items to be purchased. Please contact the Sports Department for more information.
