

## INTRODUCTION

From ELC to Year 12, Mentone Grammar sets the benchmark for outstanding coeducation with our specially designed Together-Apart-Together learning model, age and stage campus structure and dynamic staff. We empower student growth and achievement through positive relationships, diverse opportunities, and enriching experiences to ensure every student can develop their own definition of Happy, Healthy, and High Achieving.

As an Anglican school, we welcome students of all backgrounds and religious beliefs. We are proud of our culture which is driven by our strong School Values of Caring, Discipline, Endeavour, Integrity, Resilience, Respect, and Service. More than words, our Values set our high expectations of behaviour and are actively embedded in the life of our School every day.

## THE BEST OF BOTH WORLDS

To create the optimum learning environment, classes are coeducational from ELC – Year 4 and again from Years 10 – 12, with students learning in single-gender classes through Years 5 – 9. This period of early adolescence can be a vulnerable time for children as they experience great change and develop their sense of self. In recognition of this, our Years 5 – 9 program is tailored to the unique needs of boys and girls during this critical time in their physical, social, and emotional development.

## CAMPUS & FACILITIES

Our educational environment is designed to inspire curiosity, enable excellence, and feel like a second home to students. Spaces are created with each stage of learning in mind from the bright and colourful play-based learning in the ELC to the dedicated Year 12 Study Centre.

## ENROLMENT POLICY

The Mentone Grammar Enrolment Policy details the principles for a fair and inclusive enrolment process from key entry points (ELC, Foundation, Year 5 and Year 7) to compliance with legal obligations. It also explains responsibilities, priority criteria, and requirements for registration, documentation, and data management.

## WELLBEING

Mentone Grammar has a holistic approach to student wellbeing, linking social-emotional development with academic success. Our programs include mentoring, counselling, careers guidance, chaplaincy, therapy dogs, and the RULER emotional intelligence framework. These are all aimed at creating a safe, supportive, and high-achieving environment.
