UNIFORM REGULATIONS

**MENTONE
GRAMMAR**

OUR UNIFORM

The Mentone Grammar Academic and core PE uniform is an essential part of our School. The collection was created by award-winning Australian designer Jonathan Ward, together with our suppliers Noone and OnTrack Sportswear with a focus on three key areas:

- **GENDER-NEUTRAL:** Students can select uniform items that best suit them regardless of gender. Different cuts and styles (e.g. tailored and classic) enable students to select items that best suit their own body type and personal preference.
- **ALL SEASON:** Our 'wardrobe approach' includes a range of flexible, layering options so students can wear items all year if they wish.
- **COMFORT:** Crafted from high-quality fabrics and designed with flexible fits, our uniform offers both practicality and comfort.

UNIFORM REGULATIONS APPEARANCE GUIDELINES

WHY UNIFORM AND APPEARANCE MATTER

At Mentone Grammar we are very proud of our students and the uniform they wear. We frequently have members of the public comment on how professional our students look, and local employers have reported that this is one of the factors they use when choosing their employees. But our uniform is much more than just about looking good.

Research shows that students who dress professionally actually do better at school and that dressing smartly gives people a broader perspective. School uniform also plays a key role in promoting pride, self-confidence, and a feeling of belonging within the School community, contributing to that sense of inclusion and positive wellbeing. A uniform can also eliminate distractions and allow students to focus on their studies, in particular removing the additional pressures of deciding what to wear and added stress of meeting the expectations of peers. Maintaining standards around appearance is not about squashing individuality, it is about creating boundaries as well as equity, safety and practicality for the School environment.

We ask all parents to help us maintain our standards for uniform and appearance, because when our students look smart, they learn smart!

HAIR, JEWELLERY AND MAKE-UP

- Hair is to be a consistent, natural colour, no shorter than a No.2 cut.
- No radical hair styles (such as undercuts, ridges, side shave designs and excessive mullets).
- Hair which is collar length or longer must be tied back, regardless of style.
- Hair ties to be natural colour. Navy or white ribbons, scrunchies or 'Alice Bands' can also be worn.
- Senior boys should be clean-shaven.
- No make-up or nail polish to be worn to school.
- Piercings – students may wear one small plain ear stud or sleeper per ear, through the earlobe. No other piercings are permitted at school.
- No additional jewellery is to be worn to school including rings (this excludes small religious symbols such as necklace crosses, which are permitted to be worn under garments).
- Students are permitted to wear a watch to school (smart watches are not permitted at school including excursions and Learning Journeys).

NOTE: If the above guidelines impact cultural or religious expression, students and/or parents should first speak with the relevant Head of Campus to discuss alternative options.
